

ANNUAL REPORT 2018 - 2019

Secrétaire

Time passes in its own inexorable way. In consonance with the passage of time, the year 2018-19 has brought to us the opportunity to recount and analyse our activities carried out during the year. From whatever angle we take a look back at the year, it appears to be one that can be branded as eventful one. The normal and ongoing programs had their own accustomed sway, more accelerated in its outreach value and motif. Specific mention could be made of the Project on Tobacco Control: MANT could reach 19 of the districts of the state with the message as envisaged in COTPA 2003 with active support from the respective district administrations. Kolkata Municipal Corporation has been working in sync with MANT to arrive at the desired end of declaring Kolkata smokefree in near future.

Two other newly introduced programs deserve mention. The first one concerns the promotion of Sports & Games among the tribal girls. 128 number of girls of 8 clubs have been roped in to play football and to make it popular among them a tournament was organized and successfully conducted. MANT arranged the wherewithal for the purpose. The second one relates to the tribal women's dance competition; the success of the feat could be gauged from the fact that all the women participating in the festival prevailed upon MANT that each year on the day of Holi the competition would be organized by it.

One more. UNESCO along the University of Hyderabad entrusted NityanandaJanavani, CRS established by MANT, to observe the Festival of Democracy under SVEEP. A new feather in MANT's cap!

We are grateful to all connected with the implementation of the Projects sanctioned to us and especially to the funding sources for their being with us with a graceful fervour and loving care.

Let us not rest our oars; sailing forward is life. Let us explore it to the full. More, in the coming year.

Dr.Chandidas Mukherjee
Secretary

Pioneers

Swami Nityananda Brahmachari - The Inspiration.

He came like a "trailing cloud of glory" from Sargashram, Haridwar. He founded a 'Chatuspathi' - the proverbial 'jeevan deep' a flickering lamp against gusts of wind from all corners and that turned out to be the lamp which dispelled the surrounding gloom and darkness, poverty, superstition and lack of education. For him, the panacea was the spread of education.

Sri Harihar Mukherjee - The Founder.

He began where the Svant had left off. Challenges and odds were plenty but the determined visionary in him took arms against the sea of troubles. Sri Mukherjee with his will and determination guarded the proverbial lamp with his hands and helped it glow brighter still. The Trust in its embryonic form took shape in his lifetime. It was registered as Manbhram Ananda Ashram Nityananda Trust bearing Registration No. S/3863 of 1959-1960.

Vision statement

The Trust believes in people-centered development through empowerment of marginalized people. It believes that integrated development is a process in which people take conscious initiative in order to manage resources for the people, thereby ensuring people's participation, which leads to their development.

Mission statement

From thought to act, from act to habit, from habit to nature, from nature to destiny- these spell human progress with a view to spreading the mandate –

“..Sarbeiba sukhina santu
Sarbe santu niramaya
Sarbai bhadrani pashyantu
Ma kaschit dukhya bhak bhabet..”

Let everyone be happy; let all be wholesome; let everybody see the good of life; let none suffer; let peace reign supreme Modus Operandi by spreading education and raising awareness- the cure-all to all ills that flesh is heir to.

RETROSPECTION

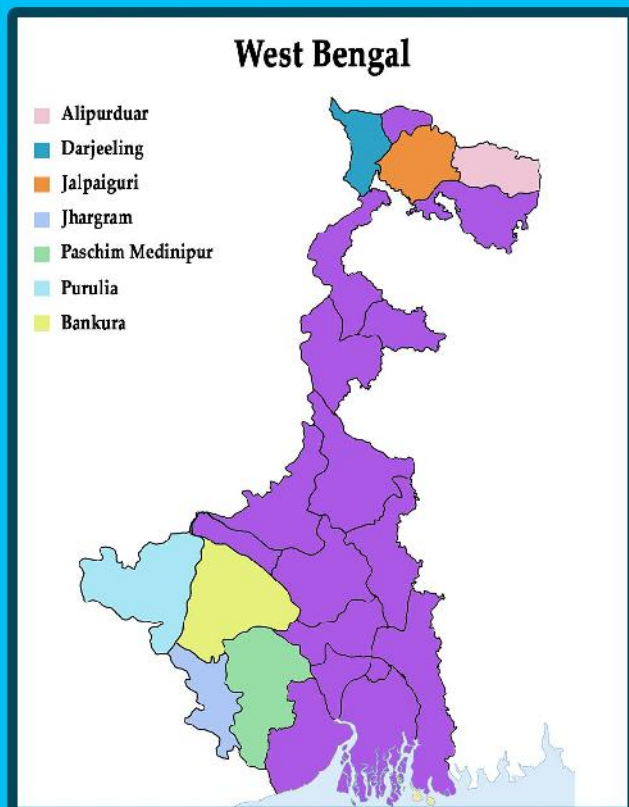

Activities in Financial Year 2018-19

Our major thematic areas of intervention

Health
Livelihood
Education
Women Empowerment
Information and Communication

PRANTIK

MANT has established a Hand Woven Garment Production cum Training Unit through its sister concern i.e. Prantik Entrepreneurs Pvt. Ltd. with a primary objective to conserve and commercialise the traditional art form and culture of the rural community and to make the tribal women economically empowered. The units are run by the tribal women. They have been trained and now they are well equipped, knowledgeable on latest trends, demands for better sales possibilities.

Prantik Entrepreneurs Pvt. Ltd. has been in business for last three years. The company has an established and good track record working with the Government. It never compromised on the quality and services provided to the customer. The organisation believe in keeping customer happy by giving quality product at competent price. A Product Portfolio has also been developed for promotion of the finished products.

Unit (Presently in function)	Unit Address	Trainees	Trainer

The Union

Pranta-Kotha - Mobile IVR

Pranta-Kotha is active now in the toll free numbers which are:

For Bengali – 07966210711

and

For Santhali – 07966210712

Pranta-Kotha Mobile IVR System has been providing information, messages in Bengali and Santali languages. It is to be noted that, three tribal populated areas of West Bengal namely Purulia, Bankura and Paschim Medinipur are main target areas of “Pranta-Kotha” Mobile Radio.

Adolescent Intervention Program

MANT (Manbhumi Ananda Ashram Nityananda Trust) works as the Thematic Partner for the Communication Part of the Adolescent Intervention Program (AIP) at Purulia District of West Bengal. The proposed thematic project is about ICT initiative wherein the adolescents are in the central to air their voices and choices and thereby they can identify their own-self in their respective perspective.

Video Production

Community Video workshops have been organized in 3 phases with local youths, Adolescents volunteers on Mobile Photography, Script Writing, Camera handling, Video photography and Editing. Following Documentaries / Short Films have been produced during this FY 2018-19

- A Crowning Glory
- Earth My Mother
- Atanko – Fear

A Crowning Glory

Produced by : MANT

MEDIC MOBILE

MANT has been piloting a project in collaboration with Medic Mobile using communication technologies (open source mobile and web software) to improve the health conditions of disconnected communities. This pilot initiative has been taken place in Tea Garden areas of North Bengal. Seven community health workers have been deployed to monitor safe deliveries, give reminders about health checkups thus helping to bridge the gap between communities and healthcare system.

Kanyashree Web Portal

The Kanyashree web portal - Swapna Kanya for Purulia district is a ICT based information sharing system which has been developed to

- Offer value-added service to the stakeholders
- Share information, views and ideas
- Improve connections in the community and throughout the District and State.

Moreover this system have dynamic News, Events, Video and Feedback upload facilities.

Special initiatives with

Aamra-Tara

AamraTara - a journal for the adolescent youths and children of the district of Purulia which covered various stories related to their achievements and developments along with the organisations working with them as well as the initiatives taken by government for them. Translation in Santhali has been made by MANT for larger outreach.

Kanyashree Betar Sabha

To provide the adolescent girls of Purulia a platform to share their stories to others, an initiative called Kanyashree Beta Sabha has been taken where girls from different Kanyashree Clubs of the district come and share their stories through our Community Radio Station at Laulara, Purulia.

6 Schools from different blocks have been participated in the Betar Sava Programme. 12 such programmes have been aired during this year. Live programme has also been held on HIV-AIDS with Doctors and Experts from District HIV/AIDS cell.

UTTARAN Mobile Application

UTTARAN Mobile Application is for the adolescents in general and Kanyashree Girls for specific. The application is the tool to communicate health and development messages to the adolescents by the adolescents as their peers. There is a scope for report violation of child rights like early marriage and abuse. The application is also providing scope for both the girls and boys to share their own stories and thereby providing a much-needed platform for the adolescents to be involved in dialogue with their counter-parts. The application has been remodelled and an SOS button has been incorporated as a safety measure.

Nityananda Janavani

91.2 F.M Community Radio Station

Major Objectives

- Build up awareness, through the mode of education and entertainment (EE) designed by, for and with the community.
- Understand the social problem in all its complexity and simplify it into an easily transferable message.

Target Areas and People

The radio, in fact, a Communication for Development (C4D) initiative for mass reach – the only option available in this under-developed zone of a legendary backward district – that aims at making life – enhancing, life – saving knowledge easily available to everyone living within a radius of 15 km.

Activities and Achievements 2018-19

The entire service is an initiative taken to fight perpetual poverty and backwardness in the marginalized areas. It is an approach to help the underprivileged to sustain an upgraded lifestyle triggering social crises at different layers.
